

ASSOCIATE MANAGER REGULATORY POLICY AND PREVENTION Credit Union Deposit Guarantee Corporation

We are seeking a confident, forward-thinking team player who is skilled in financial analysis, financial reporting, policy development and risk management. If you are interested in working for an organization that values a work-life balance with a constructive team culture, positive working environment, and excellent benefits, this may be the position for you.

As the Associate Manager, you will be responsible for reporting financial and non-financial performance, trends, and emerging risks and respond accordingly. You will monitor changes to accounting standards, developments in the economy and financial industry, and support the development of policy and guidelines for Saskatchewan credit unions. You may also support oversight, reporting and risk management for an investment fund.

Qualifications:

The ideal candidate will have a degree in business administration or commerce with three years of related experience in accounting, policy development, financial analysis and reporting. A CPA designation, or enrollment in either the CPA or a similar program (e.g. Financial Risk Manager), would be an asset. Strong research, communication and writing skills are required. Core competencies include teamwork, communication, change management, conflict resolution, problem solving and decision making.
